10. If contestant does not show because of illness or injury a valid doctor's release must be presented to the rodeo secretary and sent to the MRA office within 7 days of

the last performance of the rodeo. If there was a death in the immediate family (parents, spouse, children, grandparents, brother or sisters) and contestant could not compete at the rodeo where the member entered; a letter or phone call to a director needs to be sent to the MRA office within 7 days to be an accepted excuse.

11. A mandatory release of liability would be signed by all permit applicants with full demographics. All permit holders under the age of 18 will have a notarized signature of guardian/parent.

12. All members who are not MRA members must purchase a card or permit in order to compete at the MRA sanctioned rodeos.

13. All entries will be made by telephone with no entries taken at the rodeo office, except local entries. Four entries per phone call per event. All phone entries must have complete names, with correct spelling, address, event and card numbers. If all information is not complete, secretary is not required to take entry.

14. Any MRA member calling in for another contestant will be liable for the entry fee of that person and must present a valid MRA card for each entrant for whom they are calling. If entry fee is not paid within notification limit, member who entered contestant will be suspended and fined \$25.

15. When entering a rodeo and a given performance is full status, a waiting list will be formed on a first come, first serve basis for that performance. 17. All rodeos drawing for positions will trade out unless consented to by board, except rodeos that add \$1000 or more in each sanctioned event. 18. A contestant working two or more one go-around events in a single rodeo that draws for position and does not trade out may request to compete in all events during the day that is first drawn in a single event. If requested by the contestant, two contestants will be drawn up together when positions are drawn.

19. The rodeo secretary will trade contestants drawn for a particular performance if agreeable with contestants involved, before any livestock is drawn. All entrants who are not MRA members may be traded at the secretary's discretion. Positions will be drawn and trading out will be done immediately upon closing books. The rodeo

secretary will set a designated time for contestants to call back for details on which performance was drawn for them, being at least 48 hours before the first performance.

20. There will be no drawing out after books close (exception - rain date). When positions are not drawn and contestant requests a specific performance, the contestant will not be allowed to draw out later than one hour before books close.

21. Upon entering a rodeo, timed event contestant will inform the rodeo secretary if they are competing on the same horse as another contestant at the performance. Contestant competing within six days will be liable for all entry fees plus turn out fines. If contestant notifies rodeo secretary no later than one hour before the performance that he has arranged for a contestant entered in the rodeo or an MRA member to replace his or her stock, this rule is waived, provided the replacement does mount or run the contestant's stock.

25. Clarification: Turnouts and mount outs:

a) MO- Mounted Out- if stock is mounted out during a performance and the stock contractor had to pay someone to mount or run stock the contestant will be marked "MO" and the rodeo secretary must report how much was paid by stock contractor and who was paid to mount or run stock. The contestant will be fined the mount out fee totaled by the rodeo secretary. A signed receipt must be forwarded to the MRA office with results before stock contractor will receive reimbursement for mount money paid.

b) MO - Mounted Out - not paid if stock is mounted out during a performance but no one is paid to mount or run stock the contestant will be marked "MO" and the contestant will not be fined.

c) TO - Turned Out - if stock is turned out during a performance or designated

slack, contestant will be marked "TO" and fined a turn out fee. However, if a bona fide offer is made to mount or run stock and the stock contractor refused the offer or for some reason the rider or run is excused by the stock contractor, the rodeo secretary must be notified and the contestant will not be fined, (e.g. The stock contractor does not want or necessarily need to buck the animal.)

d) STO - Slack Turn out - if stock is turned out during slack, contestant will be marked "STO" and the contestant will be fined.

26. If contestant is unable to compete but forwards fees to the rodeo secretary or MRA secretary to be included in the payoff, the turn out fine shall be waived.
