OLD BUSINESS:

1. Over 40 Calf Roping Issue in Henderson

- Committee had a phone conference in May to discuss. On the phone: President Mike Grinager, Secretary Heidi Gunderson, Board Rep Cody Nesius, Over 40 Directors David Slipka and Emmett Davis, Judges Director Shawn Manee. There was further discussion about the issue and rules that apply.
- Heidi Gunderson and Cody Nesius decided that at the next (May) board meeting they would recind their motions to write letters of apology to the people involved. Decision was made because it was decided that we (the board) cannot be liable for ALL mistakes made at the rodeos and if we write a letter this time, then we will need to do so for other instances that may follow.
- Heidi Gunderson/Cody Nesius to recind motions. Vote to accept recind. Motion carried.

2. 15 vs. 10 contestants at our finals:

- I would like to propose the following:
- I would like to submit that we do not take 15 entries for the finals in 2011.
- I would submit that we take a total of 10 members per event.
- Concerns were discussed that we shouldn't change in the middle of the year. Less contestants would mean less money in the payout.
- Pros-we are having trouble filling the performances for our finals with having 15. Having 10 would eliminate that problem. Plus our performances wouldn't be 3 hours long.
- We could have slack this year to eliminate the problem of a 3 hour rodeo. Still have 15 to our finals. At the finals meeting we need to have a discussion if we have trouble AGAIN filling our finals with the top 15. Next year we could maybe change it from 15 to 10 if we still have the problem.

3. Lack of attendance by board members at meetings:

- Although it appears that our by-laws will not allow us to be paid to attend meetings, it does allow for us to be reimbursed for expenses...
- I would propose that each board member by tally at the end of the year be reimbursed by \$20.00 a meeting for attending meetings. This would cover the cost of fuel etc. Even in a conference call this could be designated as a cell phone charge etc...This amount in turn could be adjusted due to our year end net results.
- I would further this action the each member that does not attend the meeting be fined the \$20.00, (which would be like an entry fee and an actual fine of \$15.00 for a total of \$35.00
- In the past directors were paid mile-age to come to the meetings.
- There was much discussion that directors should be fined...it is very important to have directors on the phone/or at the meetings. Without we cannot do business.
- Concern that we would NOT have people that want to be directors.
- This would be a rule change so, we would need to put it in writing, then it would need to be in print for 30 days, then it would need to be voted on.
- Another proposal was to fine directors \$10 per meeting not attended, they would go on the fine list. There would be no compensation for directors that do come to meetings. However, as the rule states currently in the rulebook directors that DO attend meetings get \$10 toward the next years card.

- Insert into rulebook under FINES, and after where it states that directors get \$10 per meeting towards next year's card.
- Mike Grinager to write rule and submit to office in writing. Will be put in print for 30 days and then voted upon.

Next Meeting Date: June 15th conference call 8:00 pm
