

LEAVING A LEGACY OF GOODWILL THE COWBOY WAY!!

4 years ago, our family met a beautiful lil girl, Emma, who was battling a very serious cancer called Rhabdomyosarcoma. Emma loves horse and we started to invite her to our barn to ride; soon enough, the cowgirl in Emma was born and she was soon part of our saddle club and able to even show our horses. I heard about Western Wishes on a Chris Cox show last summer and contacted them to see if we could do something special for Emma, and they welcomed Emma and our family with open arms. After several months and a few let downs as Emma could not travel, we were able to grant Emma's Wish, to visit Chris Cox in Texas and see the ocean. My wife and I fell in love with the Western Wishes program, what it stands for and for the difference they are able to make touching so many lives. To make a long story short; we agreed to launch the Midwest Chapter in 2010 and I have never been so blessed and so motivated. But most of all, we are inspired by the courage, the faith and the fighting spirit of the children that have become a part of the Western Wishes program.

Western Wishes Midwest will be hosting it's first fundraiser July 3rd, 2010 at the Washington County Fairgrounds in Lake Elmo. This event.. "Dash for Dreams" is sanctioned by the MBRA and the NBHA. [Click Here To View The Event Details!](#)

The purpose of this event and our chapter is to raise awareness for our program and bring in the much needed funding that is required to grant wishes for children in our chapter area that love the western way of life and face some sort of adversity in their life.

Our goal for our first event is to raise enough money that we are able to take a "wish kid" from our chapter area to the NFR Finals as our guest and to grant more wishes and touch more lives. We will also use local events and rodeos to bring these kids too. We recently attended the MN Horse Expo and were able to bring Emma and her friend Trisha down to the chutes to meet all the cowboys of the Barnes PRCA Rodeo. The smiles never ended that night and every cowboy they met received a yell of encouragement from Emma and Trisha. It was a night of magical moments and that's what we strive for!

Through product and service donations that will be raffled off at the July 3rd event or monetary sponsorships; I truly believe we can reach our goals. Every sponsor will be listed and announced at our event as well as on our website (yet to be finished) and our facebook page. **We can't do this without the generosity and vision of people like you!**

With A Hopeful Spirit
